Gloria,

Stacey Walters is interested but will need to talk with her supervisor. She asked for a flyer, link to registration page and draft program if available.

Please send these items to me so I can send her an email invite with the attachments.

At the War on Lead meeting this morning, it was recommended by Jim Brown to ask Stacey Walters to present at the EJ Forum. Stacey is the Regulatory and Environmental Coordinator with the City of Ft Worth in the Ft Worth Water Department.

She is implementing a drinking water program with a lead emphasis. They are also conducting an inventory on service connections. Home owner testing is available for a nominal fee.

Arturo stated he wanted a “Lead” presentation added to the EJ Forum. So, we should carve out 20 minutes or so in the Community Voices portion of the Forum. 6WQ said they will be in attendance to add information on EPA’s initiative.

If you have concerns, please get with me before 1:30 pm today.

After 1:30pm, I will call to ask if Stacey will present her information on 6/13 between the hours of 10:30 and 12 noon.

Drinking program with lead emphasis.  
Testing home owner for a nominal fee.  
Inventory on service connections.  
Present on what they are doing.
